To guarantee your power distribution we must receive your order no later than the deadline date. We will do our best to fill any last minute orders but there are no guarantees. Order your power according to the amperage or wattage your equipment requires, not by the number of plugs you need. Receptacles will be installed at the rear of your booth.

Important: We must be informed in advance of wiring specifications for all 208 volt equipment. We can direct wire or you must include a receptacle/installation kit. **Please call for pricing.**
